Some other statistics from Page 202 to 207 (KF n°43)

The same year 2015, it was reported about radicalized persons in prison

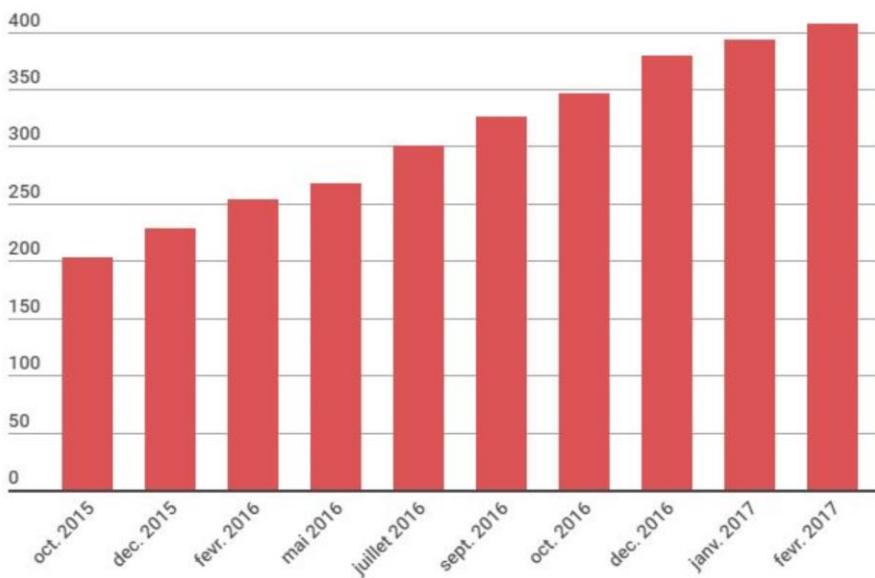

But in 2017 these figures were published for period October 2015 till February 2017, showing a net increase (100% of increase in 18 months)

Le nombre de terroristes islamistes en prison a explosé

Nombre de terroristes islamistes en détention (TIS)

Other statistics on radicalized people

First 7 months of 2017/ national level: 217 persons are back from Syria and identified by French counter-terrorism service (among which 71 are minors); these people wait to be sentenced. And for sure, we do not know how many have not been identified, mainly because reentering France among political refugees.

At regional level / Bordeaux CAPRI (day centre for de-radicalisation):

- ⇒ In total for 2016 : 33 persons came on a voluntary basis to CAPRI (which opened in 01.2016)
- ⇒ In 2017 (January to May included): 41 persons already came.

In November 2016, Public service from Ministry of Justice which care on protection to minors/under penal measures were expected 700 minors to come back from Syria (nowadays, the figure is less as geostrategy changed).
