

ANKARA DIRECTORATE OF NATIONAL EDUCATION

Bordeaux, November 2016

Turkey

Ankara is the capital of Turkey located in the middle of Anatolia.

The population of Turkey is about 78 million. Ankara has a population of nearly 5,5 million.

- Ankara is the second crowded city in Turkey due to many advantages brought by being the capital.
- There are many universities, schools, hospitals, government buildings, commercial, industrial sites, etc.

Ankara Directorate of National Education (AMEM) is the second biggest local authority after Ministry of Education across 81 provinces in Turkey.

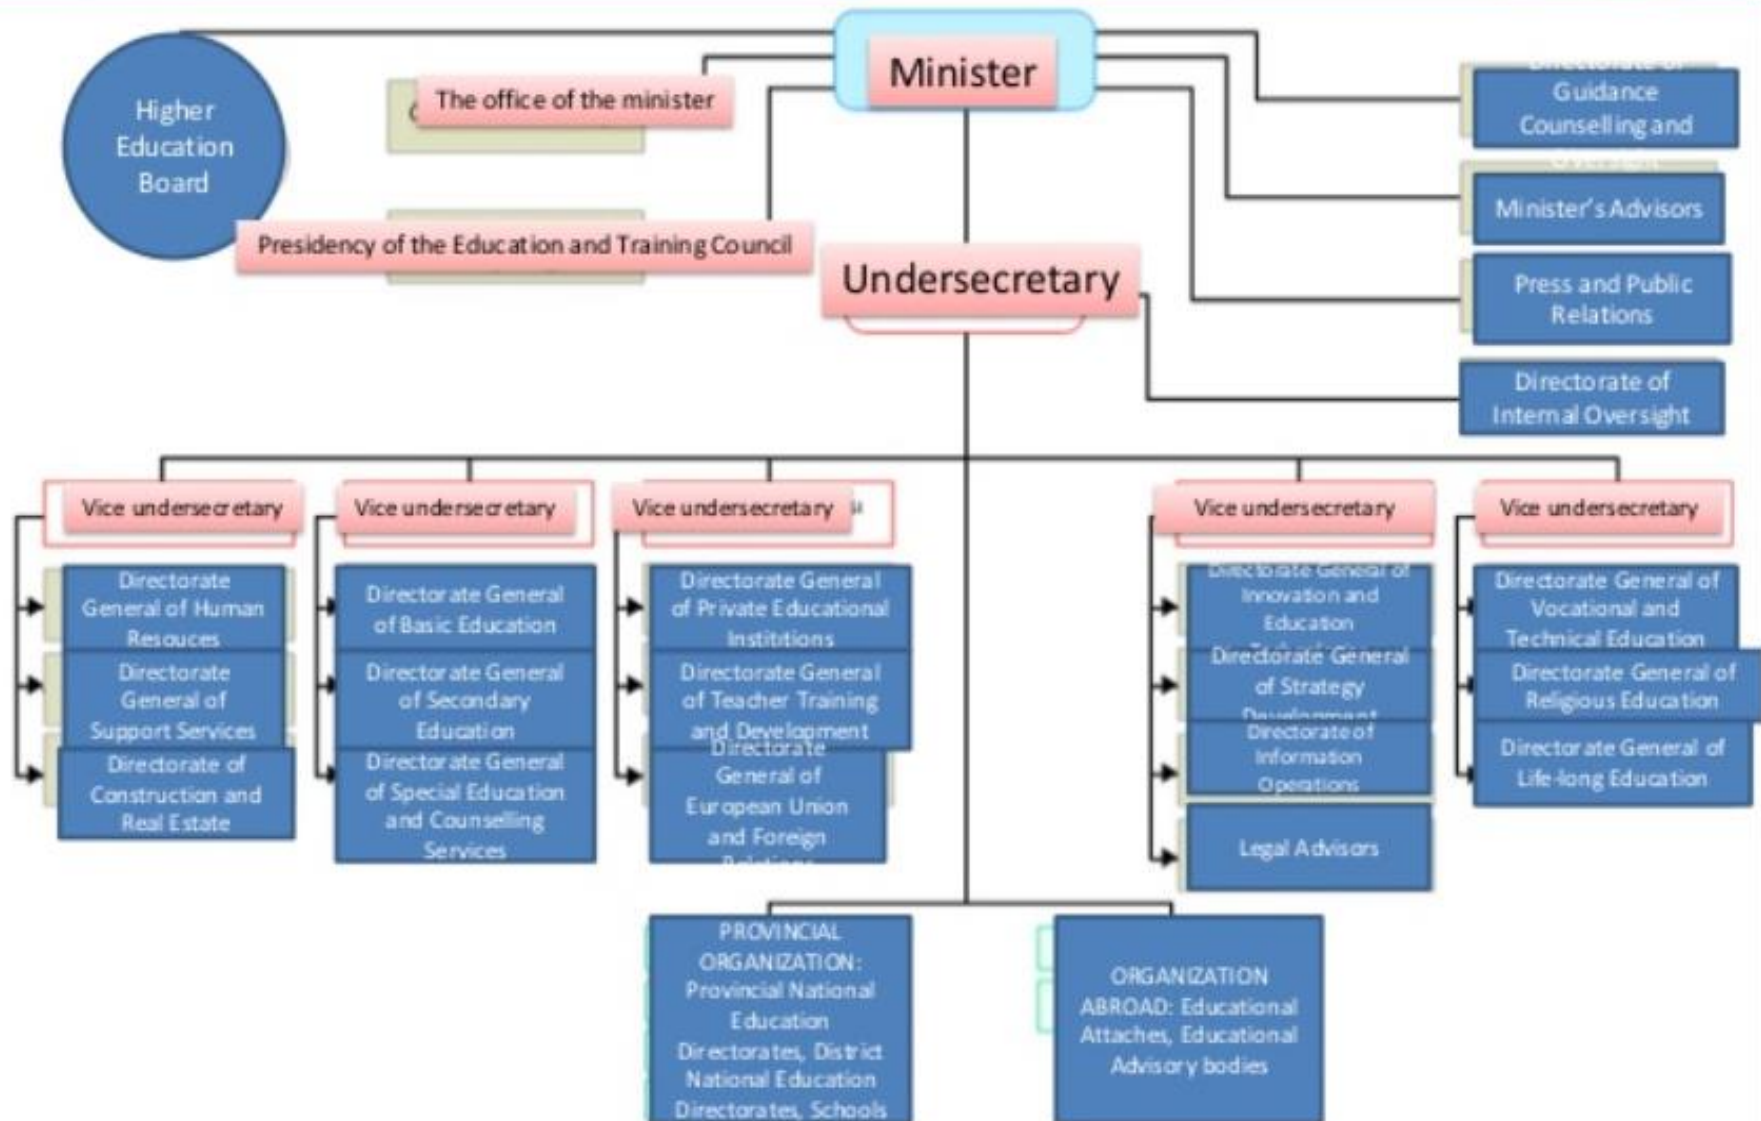

Our main aim is the coordination
between District Directorates and
Ministry of National Education.

MoNE ORGANIZATIONAL CHART

Ankara Directorate of National Education (AMEM) is responsible for the planning, coordination and management of all kinds of educational and training activities for pre-primary, primary, secondary, vocational, technical, SEN schools and adult education in 25 districts of Ankara.
