→ Aggression in special
needs school, ...
Method of
restoration/mediation, ...

Students do small research
Bachelortest

Services

LSCI-training

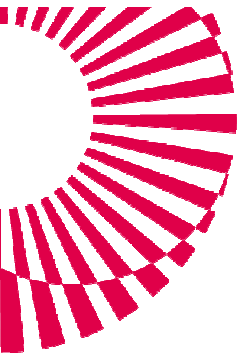

Rock and water

Service on demand

Start escalation crisis decrease depression

Summary

INCLUSION, DIVERSITY, COMMUNITY BUILDING, EMPOWERMENT, QUESTIONCENTERED and INNOVATIVE ENTREPRENEURSHIP are our policy objectives in Education, Training and Research for both students and special educators. We not only focus on insights but also to policies and climate to work preventive with youngsters and their difficult behaviour.

Contribution

- Clarity required on tasks and commitments
 - At first we were uninformed on our contribution in this project
 - Later, budget cuts make current expectations on contribution to the project unclear
 - Administrative
 - Financial (budget for intellectual output + category of staff – Technician?)
