TARGET GROUP

Volunteered,

A group of 12-15 inmates, (min 6-max 19)

Between the ages 21-59,

Sentenced prisoner, (both sentenced and detainee)

PROCEDURE

Providing needed materials(pieces of old clothes, felt, paint, fiber, fabric pieces, needle, colorful ropes, sock, gloves, cotton etc.)

Organizing an education area,(classes)

Identifying volunteered inmates(making interviews and giving information about the content of this education programme),

Finding a trainer,(2 teachers from Aliaga Public Training Center)

Planning the budget,(institution education budget)

Organizing the distribution of toys(to the children staying with their mothers in our prison).

ADVANTAGES

Materials are;

Harmless (according to prison rules dangerous materials are forbidden, but the materials for making handmade toys are safe),

Accessible,

Appropriate cost.

There are about 30 children staying with their mothers in prison.

DISADVANTAGES

Dispatch,

Giving up education

we experienced these disadvantages ☐
