FEFI national CONFERENCES

Les interventions étaient toutes très intéressantes, particulièrement la discussion de l'après-midi sur les moyens en Finlande. Il y avait une ex-détenue qui est une personne incroyable, une détenue qui a participé à une interview très émouvante. J'ai été très bien accueillie et tout le monde a été formidable. Je vous remercie de m'avoir donné l'opportunité de participer à cette conférence fort instructive.

Leslie (FR) from Tampere

*We in Finland had a wonderful Conference!
I am so pleased with everything, and specially how all day was
dedicated to FEMALE INMATES and they were on everybody's talks
and minds.
We had about 60 guests, food was excellent, and actually nothing
could have be better from my point of view. And I mean it.
The moderator Alan was truly incredibly good in his job, what an
excellent choice!
Thank you so much, Ulla (FI)*

also our videoconference was good, a lot of attendance, a hundred people, good speeches and lively of the discussion; even the catering was very good. I am satisfied and I thank all of you for the patience that you have had with our language difficulties.

Angela (IT)

*We also have a very good conference. Attendance was about 50 people. Thanks everyone for your supports.
Sandra (MT)*

Dear, all congratulation to everybody.

In the Cyprus conference we have 85 guests and our Minister of Justice was there for us.

another one time we have create time

Thank you, Tasos (CY)

La manifestation d'hier a été une réussite pour le partenaire français. La qualité de l'organisation et des prestations techniques : salle magnifique et de capacité bien adaptée, visio-conférence internationale sans aucun échec, traduction simultanée impressionnante, accueil café et buffet de très bonne qualité te reviennent personnellement et je t'en remercie.

Cette conférence aura sans aucun doute un rayonnement important tant le public était d'origine et de corps différents. La représentante de l'agence nationale ERASMUS+ était elle-même très contente et les RLE de Paris ont d'ores et déjà demandé à leur directeur d'UPR d'organiser un séminaire national sur ce thème à l'école nationale de l'administration pénitentiaire.

Bravo, Annie (FR)

Dear all,

We had a really good FEFI day yesterday. There were about 80 people attending our meeting. There was some press and the head of the cabinet of the minister of justice did a speech in the afternoon. We had a great panel discussion in the afternoon with a dr. from the Brussels university, the coordinator of sports in prison, the coordinator of education in prison, the prison director of Hasselt, and the resort director of several prisons in Flanders. This discussion was moderated by a famous journalist.

The problems which we have to deal with in organizing education for woman in prison was the focus. We had some good conclusions and idea's and plans!!

Mvg, Lieve (BE)
