

**We are in the process of creating an educational program to fight and prevent radicalisation in prison. Can I ask you some information on the prison you work in?**

1. What do you understand by the term radicalisation?

The process through which an individual becomes alienated from society, and identifies with a group of extremists. The person might act or not act as a terrorist, however there is always the potential that they will.

2. Has there been any specialised training with regards to radicalisation?
  - a. If YES....ask what type of training

The prison staff is undergoing training with regards to radicalization. It is case based ...video clips on how it is happening. It is given to police officers as well. (Director of studies to send course program).

RAN – DNA course for police, probation services, CCF, detention services etc... We are aiming to get the working group to become national committee working to raise awareness.

3. Does the prison have any type of policy with regards to radicalisation?

N/A

4. Are there any courses in the prison that address radicalisation?

N/A

If YES...can you describe them?
